Hi- not sure if anyone's been able to huddle with calepa on this yet.

Let's discuss more next week and establish a lead. I'd like us to respond next week.

Thanks!

Hello,

I am writing at the request of Concerned Residents of Laytonville to ask you to attend, and bring the appropriate staff, to an important community meeting Thursday, June 16th at 6 pm. The meeting is to update the community, elected officials and government agency leaders and staff about the serious and ongoing health crisis impacting residents that many believe is the direct result of exposure to contamination from the old landfills.

Residents will share their stories, concerns and requests, and we look forward to a constructive discussion about how to get people out of harm's way.

Please let us know if you are able to attend, thank you.

The invitation flyer is attached.

Peggy Hoaglin, Concerned Residents of Laytonville
